SPORTS TURF XP250

BENEFITS

XP250 is the premium athletic field product, and has been tried and tested in the toughest conditions. This product also features the longest lasting fibers available, making it ideal for both indoor and outdoor athletic fields. XP 250 has been the choice of countless colleges across the U.S.

CURB

EQUIPMENT

It is the policy of Synthetic Turf International to continuously improve their line of products. Therefore, Synthetic Turf International reserves the right to change, modify or discontinue systems, specifications and accessories of all products at any time without notice or obligation to purchaser. These are standard specifications subject to manufacturing tolerances and consumer requests.
