ADVANTAGES

- Requires no water
- Virtually maintenance-free
- Fresh cut appearance
- Needs no chemicals or fertilizer
- Never needs mowing or insecticides
- Clean and can be cleaned - Unlike mulch and shredded rubber
- ADA/ABA compliant - Crutches won't sink in and wheelchairs roll
- Safety - No more buried glass or other harmful objects
- Lead Free
- Provides excellent drainage
- Recyclable components
- Does not support stain or odor causing bacteria, mold or mildew
- Safe for all pets

SOFTLAWN

KENTUCKY BLUE

BENEFITS

The thatch layer in this products provides added body, reducing the amount of infill needed. Kentucky Blue can be used for landscaping, playgrounds, pet areas and much more. It's available in two colors, making it easier to match indigenous colors.

It is the policy of Synthetic Turf International to continuously improve their line of products. Therefore, Synthetic Turf International reserves the right to change, modify or discontinue systems, specifications and accessories of all products at any time without notice or obligation to purchaser. These are standard specifications subject to manufacturing tolerances and consumer requests.
