- Drastically improves your golf game
- Used by PGA professionals, teachers, tour players and numerous top rated facilities
- Unmatched variety to fit any and every golfer
- Beautiful lifelike appearance
- Fun for the whole family

STI FAST PUTT

BENEFITS

STI Fast Putt is a very versatile putting product that can be used across a variety of applications. The texturized polypropylene yarn provides a putting surface that performs consistently. The Silverback™ Polyurethane backing makes this an option for outdoor putting greens.

It is the policy of Synthetic Turf International to continuously improve their line of products. Therefore, Synthetic Turf International reserves the right to change, modify or discontinue systems, specifications and accessories of all products at any time without notice or obligation to purchaser. These are standard specifications subject to manufacturing tolerances and consumer requests.
