

SOFTLAWN

SELECT FESCUE

SoftLawn® Select Fescue is a quality landscape product with our mini diamond yarn system. It contains a polyethylene texturized thatch and the construction is well balanced with pile height and weight. The design results in a very soft feel. SoftLawn® products can be used for landscapes, putting green fringes, playgrounds and pet areas.

CURB

NAILER BOARD

It is the policy of Synthetic Turf International to continuously improve their line of products. Therefore, Synthetic Turf International reserves the right to change, modify or discontinue systems, specifications and accessories of all products at any time without notice or obligation to purchaser. These are standard specifications subject to manufacturing tolerances and consumer requests.
