BUNKER TURF

BENEFITS

This is the premium bunker turf product. This product looks and feels like a real sand trap. This product can be installed indoors or outdoors on concrete or a compacted aggregate base.

It is the policy of Synthetic Turf International to continuously improve their line of products. Therefore, Synthetic Turf International reserves the right to change, modify or discontinue systems, specifications and accessories of all products at any time without notice or obligation to purchaser. These are standard specifications subject to manufacturing tolerances and consumer requests.
