Wave

ADVANTAGES

- Requires no water
- Virtually maintenance-free
- Fresh cut appearance
- Needs no chemicals or fertilizer
- Never needs mowing or insecticides
- Clean and can be cleaned - Unlike mulch and shredded rubber
- ADA/ABA compliant - Crutches won't sink in and wheelchairs roll
- Safety - No more buried glass or other harmful objects
- Lead Free
- Provides excellent drainage
- Recyclable components
- Does not support stain or odor causing bacteria, mold or mildew

SOFTLAWN

SPRING WAVE

BENEFITS

SoftLawn® Spring Wave is one of many new offerings featuring a brand new yarn, the Wave. This product is very durable and at 1 1/2" will stand up to traffic quite well in a commercial landscape setting. The Field/Apple stalk yarns are a new option from STI, and combined with the Pine thatch layer help to give this product a natural look. The Silverback™ Polyurethane backing provides excellent drainage.

It is the policy of Synthetic Turf International to continuously improve their line of products. Therefore, Synthetic Turf International reserves the right to change, modify or discontinue systems, specifications and accessories of all products at any time without notice or obligation to purchaser. These are standard specifications subject to manufacturing tolerances and consumer requests.
