15 Ft.

ADVANTAGES

- Requires no water
- Virtually maintenance-free
- Fresh cut appearance
- Needs no chemicals or fertilizer
- Never needs mowing or insecticides
- Clean and can be cleaned - Unlike mulch and shredded rubber
- ADA/ABA compliant - Crutches won't sink in and wheelchairs roll
- Safety - No more buried glass or other harmful objects
- Lead Free
- Provides excellent drainage
- Recyclable components
- Does not support stain or odor causing bacteria, mold or mildew
- Silver Ion for antimicrobial and anti-bacterial

SOFTLAWN

BAREFOOT COMFORT

BENEFITS

SoftLawn Barefoot Comfort uses our unique “messy grass” technology to provide a durable landscape product that works in almost any setting. The polyethylene stalk yarns are designed to lay in several different directions to provide a realistic look and super soft feel. It is also designed to require less infill making it ideal for landscapes and putting green fringes.
