Mini Diamond

ADVANTAGES

- Requires no water
- Virtually maintenance-free
- Fresh cut appearance
- Needs no chemicals or fertilizer
- Never needs mowing or insecticides
- Clean and can be cleaned - Unlike mulch and shredded rubber
- ADA/ABA compliant - Crutches won't sink in and wheelchairs roll
- Safety - No more buried glass or other harmful objects
- Lead Free
- Provides excellent drainage
- Recyclable components
- Does not support stain or odor causing bacteria, mold or mildew

SOFTLAWN

PRIME FESCUE

BENEFITS

SoftLawn® Prime Fescue is our newest offering using the Mini-Diamond stalk yarn. This yarn is very durable and can stand up to traffic, making this 1 3/4" product great for lawn applications. The Field/Olive stalk yarn, combined with the Olive/Tan thatch layer, achieves the look of a natural grass. The Silverback™ Polyurethane backing provides excellent drainage.

It is the policy of Synthetic Turf International to continuously improve their line of products. Therefore, Synthetic Turf International reserves the right to change, modify or discontinue systems, specifications and accessories of all products at any time without notice or obligation to purchaser. These are standard specifications subject to manufacturing tolerances and consumer requests.
